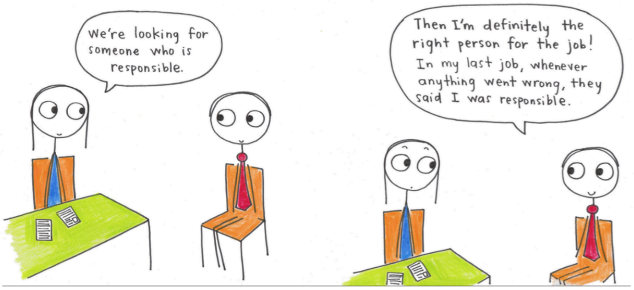
KEY MODULE 2

THE RIGHT PERSON FOR THE RIGHT JOB



SECTION 1: page 36

BEFORE READING

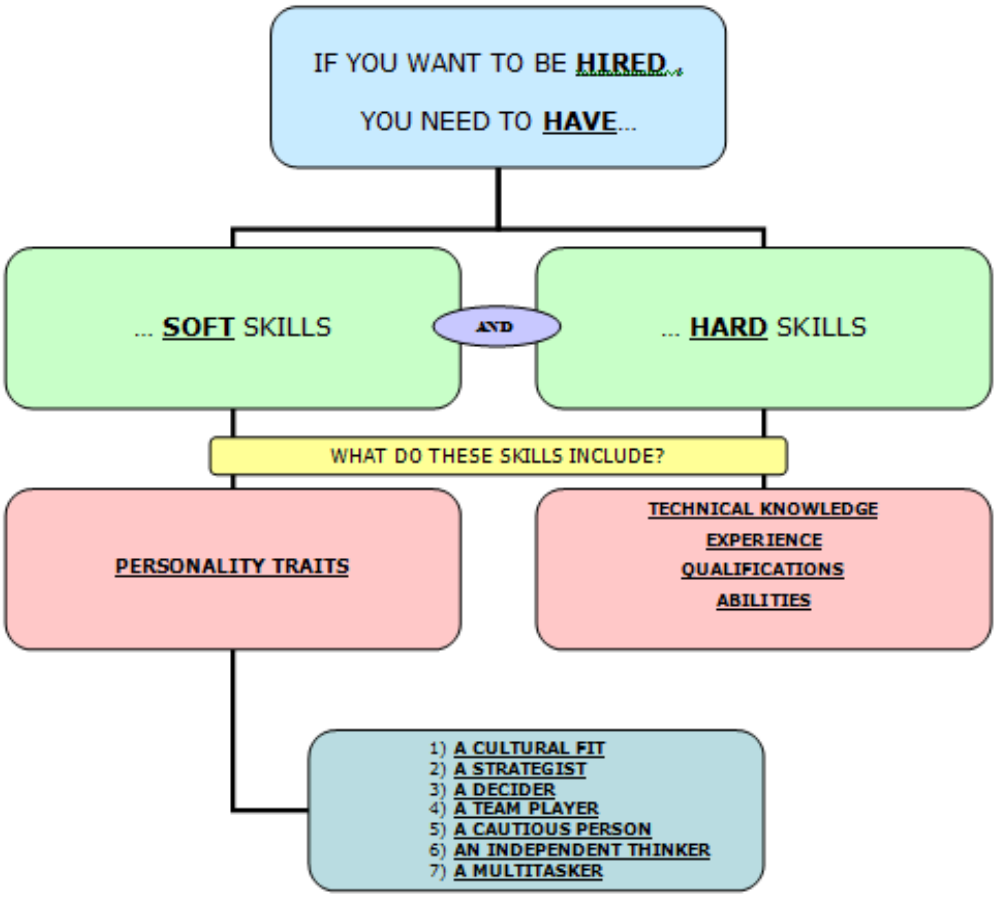
a) peculiarity – attribute – characteristic
b) recruited – employed
c) 2: The most relevant qualities of a competent employee.

WHILE READING

Students' own answers.

Sample answer: The text states that in a job interview you should provide a concrete example of your personality traits and the applicant in the dialogue did so.

AFTER READING: page 36



Students' own answers.

Sample answer: According to the text, both types of skills are equally important. However, if two candidates have the same hard skills, the soft ones will probably make the difference.
